**Prerequisite:**
- Fourth year standing in BPHEH or BSCH KINE program
- Prerequisites will vary depending on area of study.

**Exclusion:**
PHED 493/3.0

---

**Course Description:**
Intensive coverage of topics that are current and/or of special interest in the area of Physical Education or Kinesiology. Offered periodically by visiting professors or members of faculty.

Usually offered in seminar format.

**Course Texts:**
Varies depending on content of course in any given year.

**Course Objectives:**
- To provide students with courses on an occasional basis that permit the exploration of specialized topics of study in the area of physical education and kinesiology not usually offered with the undergraduate curriculum.
- To provide the mechanism to pilot new courses offerings at the undergraduate level.

**Course Evaluation:**
Varies from year to year.
