

Doctoral Student Progress Report

Purpose of Form:

This form tracks typical doctoral student progress in the program and provides opportunities to highlight items that may affect the student's ability to maintain expected completion dates. This form also promotes discussion between the student and supervisor on topics related to communication and accountability. Doctoral students normally complete their degree within 4 years of full-time study. Part-time students would normally take twice as long to complete their degree.

Student Name: _____ Supervisor: _____
Start Date: _____ Expected Completion Date: _____

Degree Requirements	Supervisor's Comments
<ul style="list-style-type: none"><input type="checkbox"/> The equivalent of six graduate level one-term courses, two of which must be taken while enrolled as a PhD student in SKHS<input type="checkbox"/> Comprehensive examination, defended orally<input type="checkbox"/> Thesis proposal, defended orally<input type="checkbox"/> Doctoral thesis, defended orally<input type="checkbox"/> 80% attendance at SKHS Graduate Seminar Series each year of funding-eligible studies (years 1-4)<input type="checkbox"/> Certificate in Human Research Ethics (CORE)	

Academic Progress
