

ATHLETIC THERAPY MINI-STREAM

EARN CREDITS WHILE GAINING VALUABLE PRACTICAL EXPERIENCE

This three-year mini-stream is offered through a partnership between the SKHS and Queen's Athletics and Recreation for students in the KIN or PHE program. As *Athletic Therapy Trainers*, the mini-stream students help to assess and treat various injuries while working with a Queen's varsity team. Students gain invaluable hands-on experience and a total of 12.0-course units. Students apply at the end of 1st year to enter level 1 of the mini-stream.

LEVEL 1

ADMISSION REQUIREMENTS

*Successful application and interview
& minimum cumulative GPA of 2.70
Current First Aid, CPR, and CPIC
Note: 20 spaces available each year*

EXPECTATIONS

Students will be expected to complete 35-40 practicum hours with the Athletic Therapy program

KNPE 331 / 3.0

Students will take a foundation course KNPE 331/3.0 (Care & Prevention of Athletic Injuries) in the winter term

LEVEL 2

ADMISSION REQUIREMENTS

*Minimum cumulative GPA of 2.70
Permission of the AT Coordinator
Current First Aid & CPR
Prerequisites: KNPE 331 & ANAT 315*

EXPECTATIONS

Students will be placed with a varsity team, where they will be responsible (with supervision) for the field coverage and taping for their team, and assist with assessments and rehabilitation of team members.

KNPE 330 / 4.5

Students will be in KNPE 330/4.5 (Field Placement in Athletic Therapy) and will be expected to complete at least 165 practicum hours with the Athletic Therapy program.

LEVEL 3

ADMISSION REQUIREMENTS

*Minimum cumulative GPA of 2.70
Permission of the AT Coordinator
Current First Aid & CPR
Prerequisite course: KNPE 330*

EXPECTATIONS

Students will spend half of their time with a varsity team (mentoring other student trainers) and the other half working in the Athletic Therapy clinic, helping with assessments, treatments, bracing, and administrative work.

KNPE 430 / 4.5

Students will be in KNPE 430/4.5 (Internship in Athletic Therapy) and will be expected to complete at least 165 practicum hours with the Athletic Therapy program.
