Level 4 in a KINE or PHED plan. Valid First Aid/CPR and CPIC required.</p>																
<p>Course Description:</p> <p>Students will work under the supervision of a certified athletic therapist and provide practice and game coverage for their designated team. This will include pre-event preparation (taping, etc.), on-field first aid and assessment, and post-event care of injuries. Some travel to away events should be expected. Students are also required to prepare an Emergency Action Plan for their respected sport, and submit an article critique.</p>		<p>Required Readings:</p> <p>Student Trainer Manual</p>																
<p>Intended Student Learning Outcomes:</p> <p>KNPE 430/4.5 is designed to expand on the student's field experiences from KNPE 330/4.5 to include the clinical care of injuries. While continuing to provide field coverage, under the supervision of a certified athletic therapist, students will also gain experience in the clinical assessment of injuries, use of therapeutic modalities, rehabilitative exercise prescription, and safe return to sport guidelines. Students will gain experience in the daily routine associated with running a therapy clinic. In addition, students <i>may</i> be expected to act as teaching assistants for the lab portion of KNPE 331/3.0. Students will be required to prepare an Emergency Action Plan for their assigned team, and undertake a comprehensive Literature Review on a relevant topic.</p>		<p>Course Evaluation:</p> <table border="0"> <tr> <td>Performance Evaluation</td> <td style="text-align: right;">40%</td> </tr> <tr> <td colspan="2">Includes quality of work, professionalism Organization, responsibility, engagement and presentation.
