

TEACHING FELLOW/ ADJUNCT POSITION AVAILABLE – 2022-2023
KNPE 354 Occupational Biomechanics and Physical Ergonomics
School of Kinesiology and Health Studies
Queen's University, Kingston, ON CAN K7L 3N6

The School of Kinesiology and Health Studies at Queen's University invites applications from suitably qualified candidates interested in teaching a course in **KNPE 354 Occupational Biomechanics and Physical Ergonomics**. This is an on campus, 300-level undergraduate course with an expected enrolment of 45 students. Candidates should have a M.A. or M.Sc. or Ph.D, and teaching experience at the University level in Kinesiology or related discipline. This is a Winter Term appointment for the period of January 1, 2023 to April 30, 2023 with classes in session from January 9, 2023 to April 10th, 2023.

The University invites applications from all qualified individuals. Queen's is strongly committed to employment equity, diversity and inclusion in the workplace and encourages applications from Black, racialized/visible minority and Indigenous/Aboriginal people, women, persons with disabilities, and 2SLGBTQ+ persons. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority.

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation during this process, please contact: School of Kinesiology and Health Studies, Katherine Mazurok, Department Coordinator and Assistant to the Director at skhs.admin@queensu.ca or 613-533-6000 x 75214.

Teaching Fellows at Queen's University are governed by the Collective Agreement for Teaching Assistants and Teaching Fellows between PSAC Local 901 and Queen's University. Remuneration will be in accordance with the Collective Agreement, and appointments are subject to funding or enrollment criteria. <https://www.queensu.ca/facultyrelations/psac-local-901-unit-1/collective-agreement>

The academic staff at Queen's University are governed by the *Collective Agreement* between the Queen's University Faculty Association (QUFA) and the University, which is posted at <http://www.queensu.ca/facultyrelations/faculty-librarians-and-archivists/queens-qufa-collective-agreement>.

To comply with Federal laws, the University is obliged to gather statistical information about how many applicants for each job vacancy are Canadian citizens / permanent residents of Canada. Applicants need not identify their country of origin or citizenship, however, all applications must include one of the following statements: "I am a Canadian citizen / permanent resident of Canada"; OR, "I am not a Canadian citizen / permanent resident of Canada". Applications that do not include this information will be deemed incomplete.

Applications should include a complete and current curriculum vitae, letters of reference from two (2) referees, and any other relevant materials the candidate wishes to submit for consideration such as a letter of intent, teaching dossier, etc. **Please arrange to have applications and supporting letters sent by email directly to skhs.admin@queensu.ca to the attention of:**

Dr. Samantha King, SKHS Acting Director
c/o Katherine Mazurok (skhs.admin@queensu.ca)
The School of Kinesiology and Health Studies
Queen's University
Kingston Ontario Canada K7L 3N6

Applications will be received until **Monday, September 26th at 4:30 pm**. Review of applications will commence shortly thereafter, and the final appointment is subject to budgetary approval. Additional information about the School of Kinesiology and Health Studies can be found at <https://skhs.queensu.ca/>.

Course Description:

KNPE 354 Occupational Biomechanics and Physical Ergonomics Units: 3.00

An introduction to occupational biomechanics and physical ergonomics. The course will apply principles of biomechanics to describe relationships between job demands, functional/tissue capacities and work-related injury. Demand, capacity and injury risk evaluation tools will also be presented.

LEARNING HOURS 120 (36L;84P).

Requirements: Prerequisite Level 3 or above and registration in a KINE or PHED Plan and [KNPE 254](#).
